Beenleigh Artisan Distillery

Beenleigh is Australia's original rum. Created before any other rum in the country. Created before even Coca Cola was invented. And over 130 years later, we're still making rum the traditional, "boutique" way. Still operating from our original stone building upon the banks of the Albert River at Eagleby. Still exclusively sourcing Australia's finest molasses from the country's only remaining family-owned sugar mill. And still pot stilling using our original copper equipment."
